BOOK SYNOPSIS

" Drs. King and Gerard continue to provide an in-depth review that reinforces major skills and responsibilities of this advanced nursing practice role ... This revision provides excellent illustrations and examples of the Clinical Nurse Leader role throughout. Competencies and Curricular Expectations for Clinical Nurse Leader Education and Practice (2013) are integrated in the presentation of key areas of focus. I know that students and faculty will appreciate the authors attention to detail.." -Linda Roussel, PhD, RN, NEA-BC, CNL Co-Author, Initiating and Sustaining the Clinical Nurse Leader Role: A Practical Guide From the Foreword Now in its second edition, this book remains the only comprehensive resource for clinical nurse leaders preparing for certification. The guide stems directly from Dr. King s acclaimed exam preparation course, which resulted in a 100% pass rate among students who took the course. The second edition reflects the new requirements of Competencies and Curricular Expectations for Clinical Nurse Leader Education and Practice (2013), featuring new and updated chapters with information about risk mitigation, lateral integration, interprofessional skills, care coordination, and evidence-based practice; an updated glossary of key terms; and new multiple choice questions and case studies. The resource mirrors the format of the AACN exam, and continues to cover all aspects of the current test, providing detailed information on taking the exam, how to analyze and interpret exam questions, basic test-taking skills, questions to stimulate critical thinking, a sample exam with answers and rationales, and content review of everything you need to know to succeed on the exam. The review not only helps individuals preparing for the exam, but also provides strategies to help groups make the best use of the book. It offers direction for faculty who are designing review courses and serves as a valuable resource during the CNL program itself. New to the Second Edition: Reflects new competencies Presents new and updated chapters Includes a new glossary of terms Provides new multiple choice questions and case studies Addresses risk mitigation, lateral integration, interprofessional skills, care coordination, and evidence-based practice Key Features: Delivers top-notch, comprehensive test preparation assistance Presents guidelines on question dissection and analysis Includes new competencies Facilitates critical thinking with unfolding case studies Presents multiple choice questions written by certified CNLs
