BOOK SYNOPSIS

As one of the most powerful and flexible financial planning tools available, trusts can help you achieve several important goals, from minimizing estate taxes to avoiding probate and managing assets in the event of death or disability. This thoroughly updated and expanded edition of *The Complete Book of Trusts* offers a comprehensive overview that includes essential details on how you can best use trusts to meet the goals of your particular choice. Covering 50 different types of trusts—including charitable remainder, credit shelter, and revocable living—this complete reference provides the guidance you need to determine which are the right trusts for you. Then, this indispensable resource takes you step by step through the entire process of setting up, managing, and terminating trusts. Along with an easy-to-understand introduction to trust basics, including provisions, trustee designations, and grantors rights, here's where you'll find: Important details on the new Disclaimer Credit Shelter Trust Expanded coverage of Qualified Personal Residence Trusts (QPRTs), Grantor Retained Annuity Trusts (GRATs), Grantor Retained Unitrusts (GRUTs) Vital information on the tax consequences of trusts Clear descriptions of trusts for specific types of assets And much more!
